"Inter Tobacco" LLC

"Inter Tobacco" LLC is a part of a group of companies which covers various activities from a financial sector to a restaurant business.

The total number of staff is more than five thousand people.

"Inter Tobacco" LLC was founded in 2018 in Belarus.

The tobacco factory is equipped with up-to-date high technology equipment for the production and packaging of tobacco products by the leading world manufacturers HAUNI & FOCKE. The production site was engineered and installed with the latest technologies for maintaining the indoor climate, optimum temperatures and humidity at each site of a work process, thanks to which the manufactured products have the highest quality and safety indicators according to international standards.

"Inter Tobacco" LLC was successfully certified by Philip Morris International and currently manufactures cigarettes Parliament, L&M and Marlboro under the license.

The production totals more than 30 billion sticks annually.

We constantly carry out marketing researches and analyze the current needs of our customers, which allows us to produce the goods of various formats:

- King Size;
- Superslims;
- Slim;
- Queen Size (medium size);
- Compact (nano)

We use raw materials and materials of the highest quality from leading suppliers and manufacturers.

This catalog presents the products of our brands registered under all the requirements of international law in the field of intellectual property.

Our company is ready to fulfill individual orders for the production of cigarettes under trademarks and according to recipes of customers.

We hope in this catalogue you will find the products which meet your requirements and expectations.

ООО «Интер Тобакко»

ООО «Интер Тобакко» входит в группу компаний направления деятельности которой охватывают различные сферы деятельности от финансового сектора до ресторанных бизнесов.

Общее количество сотрудников насчитывает более 5 тысяч человек.

Компания ООО «Интер Тобакко» была основана в 2018 году в Республике Беларусь.

Табачная фабрика оснащена самым новым и модернизированным оборудованием по производству и упаковке табачных изделий ведущих мировых производителей HAUNI & FOCKE. Производственная площадка была спроектирована и смонтирована с новейшими технологиями по поддержанию микроклимата в помещениях и поддержанию оптимальной температуры и влажности над каждым участком рабочего процесса, благодаря чему производимая продукция имеет самые высокие показатели качества и безопасности по международным стандартам.

ООО «Интер Тобакко» успешно прошла аттестацию у компании Philip Morris и выпускает продукцию по лицензии ТМ «Parliament», ТМ «L&M», ТМ «Marlboro».

Общий объем производства составляет более 30 млрд штук сигарет в год.

Мы постоянно проводим маркетинговые исследования и анализируем актуальные потребности наших клиентов, поэтому наше производство позволяет выпускать продукцию в различных форматах:

- King Size
- Superslims
- Slim
- Queen Size (medium size)
- Compact (nano)

В производстве мы используем табачное сырье и материалы самого высокого качества от ведущих поставщиков и производителей.

В настоящем каталоге представлена продукция наших торговых марок, зарегистрированная по всем требованиям в области международного права на использование объектов интеллектуальной собственности.

Также наша компания готова выполнять индивидуальные заказы на производство табачных изделий под торговыми знаками и по рецептограммам заказчиков.

Мы надеемся, что в настоящем каталоге вы найдете продукцию соответствующую вашим требованиям и ожиданиям.
